

HELM FIELD GUIDES

Birds of the Indian Subcontinent

This brand new field guide is the successor to the bestselling *Pocket Guide to the Birds of the Indian Subcontinent* by the same authors. The plates, text and maps have been extensively revised and many images have been replaced. This comprehensive and definitive guide is the ideal companion for anyone birding in the region.

- Covers India, Pakistan, Nepal, Bhutan, Bangladesh, Sri Lanka and the Maldives
- Over 1375 species illustrated and described, including all residents, migrants and vagrants
- 226 colour plates depict every species and many distinct plumages and races
- Concise text and accurate distribution maps opposite plates for ease of reference
