

*Be taken back to a time that is
half-history, half-myth, and wholly magical...*

Narrated by Panchaali, the wife of the five Pandava brothers,
The Palace of Illusions finally gives a woman's take on the timeless
tale that is the Mahabharata. Tracing Panchaali's life – from fiery
birth and lonely childhood, where her beloved brother is her
only true companion; through her complicated friendship with
the enigmatic Krishna; to marriage, motherhood and her secret
attraction to the mysterious man who is her husbands' most
dangerous enemy – it's a deeply human story about a woman
born into a man's world.
