"Dr. Frankl's words have a profoundly honest ring, for they rest on experiences too deep for deception . . . A gem of a dramatic narrative, focused upon the deepest of human problems."

—Professor Gordon W. Allport, author of *The Nature of Prejudice*

"[*Man's Search for Meaning*] might well be prescribed for everyone who would understand our time."

—*Journal of Individual Psychology*

"An inspiring document of an amazing man who was able to garner some good from an experience so abysmally bad . . . Highly recommended."
