

Kings and queens, knights and renegades,
liars, lords and honest men.

All will play the
Game of Thrones

Summers span decades. Winter can last a lifetime. And the struggle for the Iron Throne has begun. It will stretch from the south, where heat breeds plot, lusts and intrigues; to the vast frozen north, where a 700-foot wall of ice protects the kingdom from the dark forces that lie beyond.

The Game of Thrones.

You win, or you die.

Book One of A Song of Ice and Fire
begins the great epic of the
modern age.

'Colossal, staggering ... Martin captures all
the intoxicating complexity of the Wars of the
Roses or Imperial Rome' *SFX*
