

complete edition of a timeless classic, which includes recently rediscovered Part Four and 'Last Words' by Richard Bach. A story celebrating the strength of the individual and the joy of finding your own way.

For most seagulls flying is just a means of finding food, but for Jonathan Livingston Seagull flying is life itself. In flying Jonathan discovers that he can find fulfilment and higher purpose in life, so, despite the conventions of his society, he seeks to become the best at doing what he loves.

Jonathan shows us that if we follow our dreams we can truly live. This beautiful fable explains the importance of fulfilling our ambitions and making the most of our lives, even when our goals run against the norms of our flock.

Jonathan Bach with this book does what no other books do. He gives me Flight. He gives me the Young. For both I am grateful.'
