

Ajay believes in living for himself; Bhavna teaches him to live for others. Ajay is a planner for life; Bhavna makes him live in every moment.

You are the Best Wife is a story of two people with contradictory ideologies who fall in love. It changes them for good. It changes the way they look at the world and the way the world looks at them. Until destiny reveals its plans.

This is a true inspiring story of the author and his struggle with life, after his beloved wife left him halfway through their journey. But her last words, 'you are the best husband' gave him the strength to live on, and fulfil his promise of love.

Told with frankness and doses of humor, this heartwarming tale of a boy and a girl who never gave up on their love in face of adversities, ends on a bittersweet and poignant note as Ajay comes to terms with the biggest lesson life has to offer.

The story is based on Ajay K Pandey and Bhavna's life-journey, and their love story that has been immortalized in the pages of this book. You can contact him at

Her last Wish

He was not a failure; he was just struggling to meet his father's expectations. A ray of hope walked into his life when he married her. She was smart, and a charismatic personality, who taught him to value himself. But destiny's cruel twist puts her in the way of death, with not much time to live.

He takes it upon himself to fight all odds – even his family if need be – to help her fight her medical condition. He decides to fight for her, with her.

*Will a defeated son prove himself to be the best husband?
Will he be able to change the course of fate?*

Inspired from real life events, this is an inspiring story of love, relationships and sacrifice, which proves once again how a good wife makes the best husband.
