

'If there's anyone who can write with authority on India's place in the world it is Shashi Tharoor' **HINDUSTAN TIMES**

In this lively, informative and insightful book, Shashi Tharoor brilliantly demonstrates how Indian diplomacy has come of age and forecasts where it will need to focus in the new millennium. He surveys India's major international relationships in detail, evokes the country's soft power and offers his thoughts on a new 'grand strategy' for the nation, arguing that India must move beyond non-alignment to multi-alignment. Stimulating, reflective, elegantly written and passionately engaged, *Pax Indica* is another substantial achievement from one of the finest Indian authors of our times.

'The impressive breadth of coverage should enhance an ordinary reader's understanding of India's foreign policy' **INDIA TODAY**

'Infused by a can-do spirit and animated by a reformist orientation, *Pax Indica* provides a valuable basis for a pragmatic reconsideration of India's foreign policy' **INDIAN EXPRESS**
