The GRE[®]
revised
General Test

How to Use This Book/CD Package

This book/CD package provides a large amount of important information about the GRE revised General Test, the types of questions it includes, and the knowledge and skills that it measures. The book and CD will help you:

- Familiarize yourself with the test format and question types
- Learn valuable test-taking strategies for each question type
- Review the math topics you need to know for the test
- Check your progress with Verbal Reasoning and Quantitative Reasoning practice questions
- Practice your test-taking skills using actual GRE tests

The following six-step program has been designed to help you make the best use of this book and CD.

STEP 1 Learn About the GRE revised General Test Format

Chapter 1 of this book provides official information about the structure of the GRE revised General Test. Read this chapter to learn about the different test sections, the number of questions in each section, and the section time limits. You'll also find valuable test-taking strategies from ETS and important information about how the test is scored.

STEP 2 Study the Different GRE Question Types

Chapters 2, 3, and 5 of this book describe the types of questions you'll encounter in the three sections of the GRE revised General Test. Chapter 2 describes the Analytical Writing section, which requires you to write essays in response to prompts that you will be given. Chapter 3 describes the Verbal Reasoning question types. Chapter 5 describes the Quantitative Reasoning question types. In each case, you will learn what the questions are designed to measure, and you will get tips for answering each question type. You will also see samples of each question type, with helpful explanations.

STEP 3 Practice Answering GRE Verbal and Quantitative Reasoning Questions

Chapters 4 and 6 offer sets of practice Verbal Reasoning and Quantitative Reasoning questions in the format of the GRE revised General Test. The question sets are arranged in order of increasing difficulty, from easy through medium to hard. Answer the questions in each set, then read through the explanations to see which test topics you found most challenging. Look for patterns. Did specific question formats give you trouble? When did you need to guess at the answer? Use your results to identify your weaknesses and to sharpen your test-taking skills.

Get the only official guide to the *GRE*[®] revised General Test that comes straight from the test maker!

If you're looking for the best, most authoritative guide to the *GRE*[®] revised General Test, you've found it! *The Official Guide to the GRE revised General Test* is the only GRE guide specially created by ETS—the people who actually make the test. It's packed with everything you need to do your best on the test—and move toward your graduate or business school degree.

Only ETS can show you exactly what to expect on the test, tell you precisely how the test is scored, and give you hundreds of authentic test questions for practice! That makes this guide your most reliable and accurate source for everything you need to know about the GRE revised General Test.

No other guide to the GRE revised General Test gives you:

- Four complete, *real* tests—two in the book and two on CD
- Hundreds of authentic test questions—so you can study with the real thing
- In-depth descriptions of the Verbal Reasoning and Quantitative Reasoning measures plus valuable tips for answering each question type
- Detailed overview of the two types of Analytical Writing essay tasks including scored sample responses and actual raters' comments
- Everything you need to know about the test, straight from the test maker!
