PREFACE TO THE SECOND EDITION

A Hand Book on FBS was first brought out in 1982. Since then a large number of orders and clarifications, relating to the Scheme, have been issued. A compilation of an updated version of the Hand Book has therefore become necessary. Sincere efforts have been made to incorporate all the Government Orders and Circulars relating to the Scheme, in this edition. It is expected that this edition of the Hand Book will be very useful to all concerned.

VINOD RAI,

Principal Secretary (Finance).
