PREFACE

At the outset I must say with humility and gratitude that God has fulfilled his plan by making me an instrument in dealing with the subject of this book.

I can not adequately praise the enthusiasm and zeal of Mr. Janardan Vyas, Vigilance Registrar- High Court of Rajasthan, who had given me various points and appropriate words and phrases for precisely expressing my thoughts. The sincerity of the purpose on the part of Mr. Janardan Vyas is too valuable to be admired. I must be very thankful to Ms. Poornima Gaur, ACJM- District Court, Ajmer for her support and inspiration

I also wish to thank Management Development Academy and Aalekh Publishers- Jaipur for permitting me to use the chapter "Legal Aspects of Medical Profession" from their book "Management Perspective in Medicine". I also thank Mr. Lalit Kothari and Mr. Ramesh K. Arora the editors of the book "Management Perspective in Medicine" for their support.

Further I wish to express my deep gratitude and warm thanks to Shri Hari Singh U. Asnani, Retired District Judge and Chairman- District Consumer Forum, Fellow of University of Manchester, UK and Joint Director (Law) of HCM Rajasthan State Institute of Public administration, for the article "Legal Aspects of Medical Profession", which has formed a very valuable matter for this book. I am also thankful to Hind Publications for publishing this book in shortest possible time.

Of special mention is my wife Dr. Archana Purohit, who not only lent her all absorbing interest in discussing regarding the various subjects of this book but also helping me in finalizing the book at its various stages.
