

Practical Manual for Commercial Poultry Production & Hatchery Management

The "Commercial Poultry Production and Hatchery Management" is penned as per the VCI curriculum prescribed for undergraduate students of B.V.Sc. and A.H., all over India. The text comprises of 15 chapters and topics have been dealt with in a logical sequence and the concepts explained in a lucid manner. The book is also incorporated with appropriate figures, photographs and charts wherever necessary. The book serves as the valuable source of information for the undergraduate students of B.V.Sc. and A.H., teachers, scientist and farmers.

Salient Features

1. A Practical record in compact form with blank pages insertion to write exercise.
2. Inclusion of latest information on technology in poultry management.
3. Organised practical information for ease of understanding & utilization
4. Syllabus covered as per VCI instructions.
5. Useful for veterinary students, teachers & candidates appearing for competitive examinations in poultry/animal science.

Professor N.V. Jadhav has worked as Associate Professor and Head of Department of LPM at Veterinary College, Bidar for last 16 years. Since recent two years he is shouldering additional responsibility of Professor, Dept. ILFC, with redeployment of his original post of LPM. He has enriched his experience with practical working on large, commercial layer & broiler chicken farms for over 11 years. As an academician for 22 years, he has excelled in teaching, research & extension activities in poultry as well as animal science along with management of demonstration poultry & livestock farm units in which two are in second editions. The present title is 6th of his books and has update information according to VCI syllabus of 2008.

over India, who have whole-heartedly cooperated to promoted my all titles in veterinary field and hope they will keep doing so in future also. I extend my warm regards to authorities of KVAFSU and Veterinary College, Bidar to encourage me always to carry out such difficult works. Above all I humbly pray to the Lord, who himself has exploited this job in the hands of a poor individual like me.

N.V. Jadhav
