Transfer and the second of the

2.5				
	Chapter 1	A Prelude to Organisational Behaviour	1 — .	
		Learning Objectives – Opening Case – Nature of Organisational Behaviour – What are Organisations? – Why do Organisations Exist? – Organisational Effectiveness –		
•		The Role of Organisational Behaviour – Definition and Meaning of OB – Foundations		
		of OB - Importance of OB - Shortcomings - Contemporary OB - Contextual		
		Perspectives of OB – OB Model – Summary – Questions – Exercise – Closing Cases I & II – References.		
	Chapter 2	Management and Managers	29 — :	
•	200020000000000000000000000000000000000	Learning Objectives - Opening Case - Nature of Management - Functions of		
		Management – Managerial Skills – Manager's Roles – Types of Managers – Changing		
		Hierarchies of Managers - What Makes Managers Successful? - Evolution of Management Theory - Indian Contributions to Management Practices -		
		Contemporary Trends in Management Thinking – Summary – Questions – Exercise		
		– Management in Practice – Closing Cases I & II – References.		
	Chapter 3	OB — The Emerging Challenges	57 — 9	
		Learning Objectives - Opening Case - Managing Diversity - Barriers to Accepting		
AT A		Diversity - How to Manage Diversity Effectively? - Committing Top Management		
		to Diversity – Changing Demographics of Workforce – Changed Employee Expectations – Globalisation – Technology Transformation – Promoting Ethical		
		Behaviour and CSR - Ethical Dilemmas - Managing Ethics - Social Responsibility		
		 The CSR Debate – Arguments for CSR – Arguments Against CSR – Prominance of Social Responsibility – Organisational Justice – Summary – Questions – Exercise 		
		- Closing Case I & II – References.		
	Chapter 4	Historical Evolution of Organisational Behaviour	95 10	
			75 — 10	
		Learning Objectives – Industrial Revolution – Scientific Management – The Human Relations Movement – Hawthorne Studies – Organisational Behaviour – Summary		
		- Questions - References.		
	Chapter 5	Foundations of Individual Behaviour	103 — 12	
		Learning Objectives - Opening Case - Personal Factors - Environmental Factors -		
		Organisational Systems and Resources – Psychological Factors – Models of Individual Behaviour – Summary – Questions – Exercise – Closing Case –		
		Individual Behaviour - Summary - Questions - Exercise - Closing Case - References.		
	Chapter 6	Intallinana	100 10	
		Intelligence	123 — 13	
		Learning Objectives – Kinds of Intelligence – Theories of Intelligence – Measurement of Intelligence – Factors Influencing Intelligence – Intelligence and OB – Emotional		

Intelligence – Summary – Questions – Teach Yourself – Closing Case – References.

sonality	135 — 173	Chapter 12 Applied Motivational Practices	277 21
rning Objectives – Opening Case – Nature of Personality – Theories of Personality ype Theories – Trait Theory – Psychoanalytic Theory – Social Learning Theory he Humanistic Approach – Maslow's Self-actualisation Theory – The Shaping Personality – Freudian Stages – Assessment of Freud's Stages – Neo-Freudian ges – Assessment of Psycho-social Stages – Cognitive Stages – Immaturity to turity – Determinants of Personality – Heredity – Environment – Contribution in the Family – Socialisation Process – Situational Considerations – Personality acture – Myers-Briggs Indicator – Other Personality Traits – Personality and – Summary – Questions – Exercise – Closing Cases I & II – References.		Learning Objectives – Opening Case – Rewards – Membership and Seniority-based Rewards – Job Status-based Rewards – Competency-based Rewards – Performance-based Rewards – Job Design – Factors Affecting Job Design – Job Design Approaches – Some Cautions About Job Enrichment – Model of Job Design – Behaviour Modification – Identify Behaviour Problem – OB Mod in Practice – Empowerment – Goal Setting Theory – Participative Management – Problem Employees – Quality of Work Life – Others – Summary – Questions – Exercise – Closing Case – References.	311 - 34
ception and Attribution	175 — 206	Chapter 13 Work Stress	345 368
arning Objectives – Opening Case – Perception: Meaning and Definition – ception and Semantics – Factors Influencing Perception – Perceptual Process – ceiving Stimuli – Selecting Stimuli – Perceptual Organisation – The Process of erpreting – The Process of Checking – The Process of Reacting – Attribution cory – When Perception Fails – Perception and OB – Managing the Perception cess – Social Perception – Summary – Questions – Exercise – Closing Case –		Learning Objectives – Opening Case – Meaning and Definition – What is Not Stress? – The Stress Experience – Work Stress Model – Stressors – Sources of Stress – Individual Level Stressors – Group Level Stressors – Organisational Stressors – Extra-organisational Stressors – Daily Hassles – Outcomes – Burnout – Stress Management – Individual Strategies – Organisational Strategies – Stress and Performance – Summary – Questions – Exercise – Closing Case – References.	
ferences.		. Chapter 14 Group Dynamics	369 — 406
urning Objectives – Opening Case – Meaning and Definition – Learning — Explicit I Tacit Knowledge – How Learning Occurs? – Classical Conditioning – Operant Inditioning – Difference between Classical Conditioning and Operant Conditioning Cognitive Theory of Learning – Social Learning Theory – Principles of Learning Motivation – Reinforcement, Punishment and Extinction – Whole Versus Part Irning – Learning Curves – Meaningfulness of Material – Learning Styles – Learning 1 OB – Conclusion – Summary – Questions – Exercise – Closing Case – Ferences.		Learning Objectives – Opening Case – Nature of Groups – Types of Group – Why do People Join Groups? – Group Development – Usefulness of Groups in Organisations – Pitfalls of Groups – Determinants of Group Behaviour – External Conditions – Group Members' Resources – Group Structuring – Leadership – Role – Group Size – Group Norms – Group Tasks – Status Congruence – Group Cohesiveness – Group Decision Making – Approaches to Group Decision Making – Advantages of Group Decision Making – Problems of Group Decision Making – Considerations in Group Decision Making – Groups and OB – Summary – Questions – Exercise – Closing Cases I & II – References.	
itudes and Values	231 — 263	Chapter 15 Team Dynamics	407 — 425
rning Objectives – Opening Case – Nature of Attitudes – Components of Attitudes he ABC Model – Formation of Attitudes – Functions of Attitudes – Changing itudes – Ways of Changing – Measurement of Attitudes – Scoring Attitude Intensity Vork-related Attitudes – Job Satisfaction – Locke's Value Theory – Model of Job isfaction – Causes of Job Satisfaction – Consequences of Job Satisfaction –		Learning Objectives – Opening Case – Nature of Teams – Teams vs. Groups – Benefits from Teams – Types of Teams – Implementing Teams in Organisations – Team Issues – Effective Teamwork – Typical Teams in Organisations – Can Groups Become Teams? – Summary – Questions – Exercise – Closing Case – References.	
asuring Job Satisfaction – Organisational Commitment – Values – Merging Personal Organisational Values – Attitudes, Values and OB – Summary – Questions – ercise – Closing Case – References.		Chapter 16 Power and Political Behaviour Learning Objectives – Opening Case – Power – Power Dynamics – Sources of Power – The Effective Use of Power – Power Tactics – Politics – Essence of Politics – Types of Power –	427 — 452
tivation — Theories and Principles	265 — 310	Politics – Types of Political Activity – Ethics of Power and Politics – Summary – Questions – Exercise – Closing Case – References.	
arning Objectives – Opening Case – Nature of Motivation – Importance of tivation – Motivational Challenges – Theories on Motivation – Early Theories – ntent Theories – Directing Behaviour — Process Theories Success – Review of eories – Summary – Questions – Exercise – Closing Cases I & II – References.		Chapter 17 Conflict and Negotiation Learning Objectives – Opening Case – Nature of Conflict – Semantic Problem – Changing Views of Conflict – Functional and Dysfunctional Conflict – The Process	453 — 490

Conflict – Levels of Conflict – Intra-individual Conflict – Interpersonal Conflict – Intra-group Conflict – Conflict Resolution – Strategies for solving Intrapersonal Conflict – Resolving Interpersonal Conflict – Resolving Pa-group Conflict – Resolving Inter-group Conflict – Conflict Management Styles Ianagerial Implications – Negotiation and Conflict Resolution – Situational Factors Pouring Negotiation – Guidelines for Effective Negotiation – Beyond Conflict Solution – Summary – Questions – Exercise – Closing Case – References.

idership

arning Objectives – Opening Case – Nature of Leadership – Leadership and nagement – Importance of Leadership – Formal and Informal Leadership – adership Styles and Their Implications – Styles Based on Authority Retained – les Based on Task Versus People Emphasis – Styles Based on Assumptions About ople – Likert's Four Styles – Entrepreneurship Leadership Style – Theories of adership – Trait Approach – Behavioural Theories – Contingency Theories of adership – What Does It Mean? – Contemporary Issues on Leadership – ansformational Leadership – Women as Leaders – Emotional Intelligence – adership Development – Summary – Questions – Exercise – Closing Case – ferences.

mmunication

erpersonal Communication – Types of Interpersonal Communication – Barriers Effective Communication – Overcoming the Barriers – Organisational mmunication – Factors Influencing Organisational Communication – ganisational Silence – Communication Flows – Communication Networks – mmunication Role – Communication Policies and the Communication Audit – formal Communication – Communication Media – Information Technologies – inagerial Implications – Summary – Questions – Exercise – Closing Case – ferences.

ganisations

arning Objectives – Opening Case – Organisational Structure – Organisational sign – The Consequences of Poor Organisational Design – Key Factors in ganisational Design – Types of Organisational Structure – Functional Structure – ace Structure – Product Structure – Multidivisional Structure – Organisations for ture – Matrix Structure – Networked Structure – Virtual Organisation – Learning ganisation – Structure Decision – Informal Organisations – Managerial Implications Summary – Questions – Exercise – Closing Case – References.

ganisational Culture, Creativity and Innovation

arning Objectives – Opening Case – Meaning and Definition – Cultural Dimensions
How is Culture Created? – Culture Artifacts – Sustaining the Culture – Effects of
Iture – Changing Organisational Culture – Creativity in Organisations –
aracteristics of Creative Individuals – Methods of Enhancing Creativity –
eativity-inducing Factors – Innovation in Organizations – Innovative Process –
mmary – Questions – Exercise – Closing Case – References.

Chapter 22 Organisational Change and Development

Learning Objectives – Opening Case – Nature of Change – Levels of Change – Importance of Change – Types of Change – The Integration of TQM and Reengineering – Forces for Change in Organisations – External Forces – Internal Forces – Resistance to Change – Organisation Level Resistance to Change – Group Level Obstacles to Change – Individual Level Resistance to Change – Force Field Theory of Change – The Change Process – Organisational Development – Prerequisites for OD – Situations Appropriate for OD – Action Research – OD Interventions – Effectiveness of OD Programming – Time to Implement Change – Managerial Implications – Summary – Questions – Closing Case – References.

Chapter 23 Decision Making

Lea: ning Objectives – Opening Case – Nature of Decision and Decision Making – Types of Decisions – Decision Making Conditions – Models of Decision Making – Decision Making Process – Barriers to Effective Decision Making – Decision Making Styles – Strategies for Improving Group Decisions – Summary – Questions — Exercise – Closing Case – References.

Chapter 24 Human Resource Policies and Practices

Learning Objectives – Human Resource Policies – Why Adopt Policies? – Formulating Policies – Human Resource Planning – Job Analysis – Process of Job Analysis – Recruitment – Selection – Role of Selection – Orientation and Placement – Purposes of Orientation – Orientation Programme – Placement – Training and Development – Inputs in Training and Development – Importance of Training and Development – Methods and Techniques of Training – Employee Remuneration – Performance Appraisal – Methods of Appraisal – Performance Interview – Job Evaluation – Industrial Relations – Summary – Questions – Closing Case I & II – References.

Chapter 25 International Organisational Behaviour

Learning Objectives – Opening Case – Trends in International Business – Cultural Differences and Similarities – Behaviour Across Countries – Culture Determines Behaviour – Cultural Clusters – Hofstede's Cultural Dimensions – Individual Behaviour in the Global Perspective – Motivation Across Cultures – Compensation Across Cultures – Cultural Adjustment – Managerial Responses – Interpersonal Behaviour Across Cultures – Leadership Across Cultures – Multicultural Teams – Negotiating Globally – Communicating Across Cultures – Organisational Characteristics in an International Context – Environment Across Cultures – Technology and International Business – Organisational Designs – Summary – Questions – Exercise – Closing Case – References.

ORGANISATIONAL BEHAVIOUR

ABOUTTHEBOOK

The structure of the book is well sequenced and balanced. All the 25 chapters have been clustered into five parts, each part focusing on one dimension of Organisational Behaviour. Part 1 contains discussion on an overview of the subject; part 2 has chapters that explain the dynamics of individual behaviour; contours of group behaviour have been brought out in part 3; part 4 details the organisation and its structures; and part 5 describes international perspectives of Organisational Behaviour.

Majority of the cases in the book are India centric and the principles of Organisational Behaviour have been largely Indianised. Each page in the book has a figure and or an exhibit thus making it highly attractive.

The book is rich with pedagogic aids. Every chapter contains learning objectives, opening and closing cases, self-check, relook, summary, key terms and exercises.

The present edition is much improved in terms of new cases, additional boxed items and enriched text. Two new features are unique in the tenth edition: 'Successful Manager' and 'Key Terms'. Key terms with definitions are appended at the foot of each page in the book. Definitions are catchy and close to the real-life happenings. 'Successful Manager' boxed at different places contain takeaways from each chapter. The tidbits go away from the text and contain highly interesting and memorable promontories.

A must read for all students of commerce and management courses.

ABOUTTHEAUTHOR

K. ASWATHAPPA is a former Dean, Faculty of Commerce and Management, Bangalore University and Former Director, Canara Bank School of Management Studies, Bangalore. He has published more than 25 books on different areas of commerce and management.

He has guided more than 25 Ph.Ds. and has adjudicated theses of several universities. He was the member of several bodies in Bangalore University and on the Boards of Studies of many other universities.

Currently, he is a visiting professor in several B-Schools and is active in revising and writing books.
