PROJECTS

*Planning, Analysis, Selection,
Financing, Implementation, and Review*

8th Edition

Projects presents the entire gamut of capital budgeting. The book discusses key principles and techniques for evaluating capital expenditure proposals, as well as strategic, qualitative and organizational considerations impacting capital budgeting decisions. Further, it suggests ways of improving project appraisal and capital budgeting practices, and also describes and evaluates business practices in various areas.

Written by renowned finance educator Prasanna Chandra, the book, in its eighth edition, has acquired vast readership among students and practitioners over a period of almost three and a half decades.

Highlights of the Eighth Edition

- ◆ Substantial revision of several chapters
- ◆ Two new sections: 'Measures of Savings in Infrastructure Costs' and 'Analysis of Project Risk'
- ◆ Six new appendices: 'Detailed Project Report', 'The Case for Behavioural Strategy', 'Vegetron Simulation', 'Types of Charges Created on Assets for Securing Advances', 'Due Diligence', and 'Environmental Appraisal of Projects'
- ◆ New minicases on 'Investment Criteria' and 'Infrastructure Financing'
- ◆ Number of boxes containing valuable perspectives and practical insights
- ◆ Updated and expanded ancillary web material for students and instructors

Audience

- ◆ Corporate policymakers
- ◆ Managers, consultants, and executives
- ◆ Officials of banks and financial institutions
- ◆ Students of professional programmes (MBA, CFA, ACA, and AICWA) and post graduate courses in Commerce, Finance, and Economics

Ancillary Material for Students and Instructors

- ◆ Spreadsheets, Solved Problems, Additional Problems, and Minicases
- ◆ Solutions Manual, Powerpoint Presentations, and Quizzes

The 'Student Edition' of the resources can be freely accessed and used; the 'Instructor Edition' can be provided on special request in writing to McGraw Hill Education.

Author's Profile

Dr Prasanna Chandra, MBA and PhD in Finance, is Director of Centre for Financial Management (CFM), Bangalore. He has over four decades of teaching experience in postgraduate and executive education programmes. He has been a member of several committees, and a consultant to and a board member of several organizations. Recipient of many honors including Fulbright Scholarship, UNDP fellowship and Best Teacher Award from AIMS, Dr Chandra is credited with writing over 70 articles in professional journals and business periodicals and 8 books.
