2.5 Conclusion	38

Case study Business strategy and HRM in boutique hotels	40
--	----

Part Two: The external and internal contexts of human resource management 41

3 The business environment of human resource management	43
Rob Thomas	
3.1 Introduction	44
3.2 'Scanning' the external environment	44
3.3 Inner orbit: the immediate influences of markets and competition	47
3.4 Outer orbit (1): government—politics, the law, and managing the economy	51
3.5 Outer orbit (2): social, ecological, and ethical	57
3.6 Technology and globalization	60
3.7 Conclusion	62

Case study The UK labour market for nurses (1997–2011)	64
---	----

4 Human resource management in an organizational context	65
David Preece	
4.1 Introduction	66
4.2 Organizations, organizational change, and HRM	66
4.3 Managing and working in organizations	73
4.4 Culture, power, and politics in organizations	78
4.5 Conclusion	83

Case study Change and restructuring in social housing	84
--	----

Part Three: The essence of human resource management 87

5 Recruiting and selecting staff in organizations	89
Sarah Gilmore	
5.1 Introduction	90
5.2 The systematic approach towards recruitment and selection	90
5.3 The recruitment process	94
5.4 Recruitment methods	97
5.5 The selection process	100
5.6 The limitations of the systems and decision-making approaches	107
5.7 Conclusion	109

Case study Recruiting and selecting staff at Médecins Sans Frontières	110
--	-----

6 Developing human resources	111
Sarah Gilmore	
6.1 Introduction	112
6.2 The changing nature of skills	112
6.3 The practice of training	121
6.4 Responses to heightened competition: the focus on learning	125
6.5 Conclusion	129

Case study HRM and employee development at the National Theatre	131
--	-----

7 Rewarding people at work	132
Stephen Pilbeam	
7.1 Introduction to reward management	133
7.2 Strategic approaches to reward	133
7.3 Principal pay strategies (1): graded and labour market pay	138
7.4 Principal pay strategies (2): performance-related pay	143
7.5 Contemporary issues in pay and reward	147
7.6 Conclusions	154

Case study Is PRP appropriate for university lecturers?	156
--	-----

8 Utilizing human resources in organizations	157
Sarah Gilmore and Steve Williams	
8.1 Introduction	158
8.2 The 'flexible' utilization of human resources	158
8.3 Talent management: the challenges of succession planning and employee retention	164
8.4 Managing employee well-being	168
8.5 Conclusion	175

Case study Obesity at work—challenges for employers?	177
---	-----

9 Redundancy and human resource management	178
Steve Williams	
9.1 Introduction	179
9.2 The nature and causes of redundancy	179
9.3 Alternatives to redundancy	184
9.4 Handling redundancies	189
9.5 Post-redundancy	194
9.6 Conclusion	197
Case study Handling redundancies at Eastney Cleaning Services Ltd	199
 Part Four: Challenges and controversies in human resource management	 201
10 Equality, diversity, and dignity at work	203
Charlotte Rayner and Sally Rumbles	
10.1 Introduction	204
10.2 Key concepts	204
10.3 The legal framework	208
10.4 Key issues in equality and diversity	213
10.5 From indignity to decency	216
10.6 Conclusion	221
Case study Managing diversity at InsureCo	222
11 Managing performance and absence	223
David Hall	
11.1 Introduction	224
11.2 Performance management: an organizational phenomenon	224
11.3 HRM and performance management	228
11.4 Performance management systems	231
11.5 Key issues in performance management	237
11.6 Handling absence in organizations	239
11.7 Conclusion	245
Case study The development of an HR scorecard at Portsmouth Hospitals NHS Trust	247
12 Employment relations	249
Steve Williams and Iona Byford	
12.1 Introduction	250
12.2 Managing through joint regulation	250
12.3 Towards cooperation and commitment?	257
12.4 Conflict in employment relations	264
12.5 Conclusion	270
Case study Trade union recognition at Eastney Cleaning Services Ltd	272
13 Managing grievances, discipline, and workplace conflict	273
Steve Williams and Sally Rumbles	
13.1 Introduction	274
13.2 Understanding grievance and disciplinary procedures	274
13.3 Handling grievances and disciplinary issues	279
13.4 Resolving workplace disputes	286
13.5 Conclusion	292
Case study Dealing with staff problems in S&W Engineering	293

Part Five: Human resource management in broader perspective 295

14 Ethics and human resource management	297
Richard Christy and Gill Christy	
14.1 Introduction	298
14.2 The meaning of ethics	298
14.3 Ethics and organizations	302
14.4 The ethical aspects of HRM activities	306
14.5 Conclusion	315
Case study Olympus: whistle-blowing in the executive suite?	316
15 International human resource management	318
Steve Williams, Liza Howe-Walsh, and Peter Scott	
15.1 Introduction	319
15.2 Globalization and HRM	319
15.3 Multinational companies and HRM	323
15.4 Managing international assignments and assignees	328
15.5 Towards strategic international HRM?	333
15.6 Conclusion	338
Case study Regulating international labour standards	339
16 Conclusions	341
Sarah Gilmore	
16.1 The 'promise' of HRM	342
16.2 HRM themes: an assessment	342
16.3 The future of HRM	346
Glossary	348

What is human resource management and how does it shape the culture of contemporary organizations?

How does HR strategy help to contribute to organizational goals and influence employee performance?

These are just some of the fundamental questions answered in the second edition of *Human Resource Management*. Written by a team of subject experts with extensive experience of teaching, research, and consultancy activity, this engaging and accessible textbook will take you through the challenges faced by today's organizations.

This academically rigorous text offers a clear and concise introduction to the key concepts governing human resource management. Chapters on talent management and the effective management of staff on international assignments address new and emerging themes.

Every chapter contains a wealth of tools to ensure you can reflect upon your learning, and test and consolidate your knowledge. Skills exercises, learning activities, and assignment questions will help you build on what you learn in class. This textbook is the essential companion for any student of human resource management, business studies, and related areas.

NEW TO THIS EDITION:

- ◆ Fully revised and updated case material reflects social, political, and legal changes.
- ◆ A new chapter on utilizing human resources in organizations, including discussion of talent management.
- ◆ New material on resolving workplace conflict added to Chapter 13.
- ◆ New International focus boxes and Skills exercise boxes.

DR SARAH GILMORE is Principal Lecturer in Human Resource Management at the University of Portsmouth Business School.

DR STEVE WILLIAMS is Reader in Employment Relations at the University of Portsmouth Business School.

'Both the range of HRM functions and a number of contemporary themes are explored in a critical and engaging way.'

Jackie Ford,
Professor of Leadership and
Organization, Leeds University
Business School
